PROJECT DEVELOPMENT**Brian Ramsey, P.E.**

- **UPC92652 Smart Scale Shoulder Widening Project;** 155 N Courthouse Rd, Contract executed, NTP 4/2/2022. Trench widening complete. Temporary edge lines have been placed. E & S silt fence installation underway ahead of shoulder and ditch grading where applicable. Contractor has completed milling on the north section from I-64 to 249 New Kent Hwy. Road milling on the south section from I-64 to 1047 Old Forge Road to begin this week. Paving operations scheduled to begin later this week into next week. Garde work continues in the southern section, ongoing.
- **UPC92565;** grading and milling ongoing. Paving on the two-week look ahead, ongoing.
- **UPC119811 PM43 Paving;** 60 Pocahontas Trl, Saw-cut existing slabs complete. Patching complete. Mainline paving operations ongoing.
- **PM4A Paving;** 649 Rockahock Rd and 600 Charles City Road, paving complete. Shoulder stone and permanent markings pending, ongoing.
- **UPC113641 On call Bridge Repair;** 106 Emmaus Church Rd over I-64 Interstate. Bridge task order work complete. Final Bridge inspection this week, ongoing.

NON-ORDINARY MAINTENANCE**Phillip Frazer, P.E.****Pending Study**

- **Corridor Study;** 60 Pocahontas Trail Bottoms Bridge Area; large scale study that will require special funding.
 - The consultant has completed the study; however he is working to incorporate the comments received from the county for the final deliverable.
- **Speed Study;** 249 New Kent Highway east of Town of New Kent; the speed limit steps up from 35 MPH to 55 MPH and west of Town of New Kent, the speed limit steps up in increments of 10 from 35 MPH, to 45 MPH, then 55 MPH. The study is to determine if the speed should be lowered to 45 MPH from Town of New Kent east to 623 Cooks Mill Road, then 55 MPH after 623 Cooks Mill Road.

Completed Study

- **Speed Study;** 612 Tunstall Road; complete. Implementing a speed reduction on half a mile of the studied route. Sign placement is pending.
- **Speed Study;** 603 Good Hope Road; complete. Speed limit reduced to 40 MPH and signs are in place.
