- **UPC113641 On call Bridge Repair;** 106 Emmaus Church Rd over I-64 Interstate, complete.

NON-ORDINARY MAINTENANCE**Phillip Frazer, P.E.****Pending Study**

- **Corridor Study;** 60 Pocahontas Trail Bottoms Bridge Area; large scale study that will require special funding.
 - The consultant has completed the study; however he is working to incorporate the comments received from the county for the final deliverable.
- **Speed Study;** 249 New Kent Highway east of Town of New Kent; the speed limit steps up from 35 MPH to 55 MPH and west of Town of New Kent, the speed limit steps up in increments of 10 from 35 MPH, to 45 MPH, then 55 MPH. The study is to determine if the speed should be lowered to 45 MPH from Town of New Kent east to 623 Cooks Mill Road, then 55 MPH after 623 Cooks Mill Road.
