FOR RELEASE AT WILL  
1:00 P.M. EDT  
February 3, 2023

## **Wondering what's going on in New Kent?** *Check out the County's new land development viewer*

**NEW KENT VIRGINIA, February 3, 2023:** Have you wondered what is being built near your neighborhood? Did you hear that business XYZ was coming to New Kent and you want to see what has been submitted to the County presently? The recently created land development viewer application shows proposed developments, both commercial and residential, for property within New Kent County.

Utilizing the link <https://bit.ly/3X3XpWq> users may then search by project name (ex: Starbucks). If the project name is not known, use the +/- to zoom in or out to see labels for different projects throughout the county. All labels do not appear initially or when zoomed out, so zooming in on particular areas of the county will show additional project labels. Property information is provided for all projects including owner & address data, site plan (if available), and other identifying information on the project.

Users can also just click on any labeled parcel on the map to view property information in a pop-up window. Zoom in to see parcel outlines in order to click and view the pop-up window.

If you have questions about using this application, please contact the GIS Department by sending a note to [mtforbes@newkent-va.us](mailto:mtforbes@newkent-va.us) or call 804-966-8522.

If you have questions about any of these proposed developments or would like further information on any of the projects noted, please contact the Planning Department at [planning@newkent-va.us](mailto:planning@newkent-va.us) or 804-966-9690.

If you have questions about a particular piece of property that you've seen cleared recently but there isn't a proposed plan showing on this application for that property, it may be a timbering operation. If you have questions concerning this, please contact the Environmental Department at [krlollis@newkent-va.us](mailto:krlollis@newkent-va.us) or 804-966-8580.
