From the County Administrator

Welcome to the 2018 winter edition of Inside New Kent. As County Administrator, I am proud of the services provided by our County staff. Our County government is committed to improving the delivery of effective and efficient services by building upon our success to become even more responsive, innovative and proactive in meeting the needs of our entire community. We are fortunate to have dedicated public servants who strive every day at improving the delivery of services. As we come to the end of 2018, I reflect on a busy and productive year with many accomplishments being achieved. A few of those accomplishments include the following:

- The Distinguished Budget Presentation Award from the Government Finance Officers Association (GFOA)
- The Certificate of Achievement for Excellence in Financial Reporting (CAFR) award.
- Groundbreaking for construction of Fire Station #5.
- Master plan and site plan developed for the construction of Pine Fork Park and the approval of financing for this project.
- Our New Kent County Parks & Recreation Director, Kim Turner, was appointed to serve as the President of the Virginia Recreation & Park Society.
- Our elected officials worked with VDOT and Delegate Chris Peace during the General Assembly session to obtain over $3 million dollars in funding for road improvements to Route 60.
- New Kent Sheriff’s Office recognized by MADD for their efforts to reduce drunk driving.
- The Virginia Association of Chiefs of Police (VACP) announced the New Kent Sheriff’s office as a recipient of the 2018 Virginia Law Enforcement Challenge awards for the best traffic safety programs in the State.

As we enter into the holiday season, we are excited about the many festive events that are planned around the County by our businesses, churches, non-profit organizations, and other community groups. Events such as the Quinton Volunteer Fire and EMS annual Thankgiving Dinner and Santa Run, The New Kent Clergy Association’s annual County-wide Thanks-giving service, the Providence Forge Christmas Parade, and the Rotary Club Christmas Tree Sale, just to name a few. I am also pleased to invite you to the 5th annual New Kent County Grand Illumination celebration scheduled for November 25, 2018, 3:00 p.m. at the New Kent County Administration Building. This year’s event will feature a fun run, pictures with Santa, many local vendors, holiday performances, a holiday craft contest, children’s activity area, pony rides, and various other activities. We hope that you are able to join us in kicking off the holiday season with fellow County residents.

I hope you enjoy this edition of Inside New Kent and since this will be the last edition for 2018, I would like to take this opportunity to extend my warmest wishes to each of you for a joyous holiday season, and a happy, healthy, and successful New Year.

Public Utilities billing & payment

Meter Reading & Billing — Water meters are read every other month as close as practical to the last Tuesday of the months of February, April, June, August, October and December. Meters are read to the nearest 100 gallons and billed based on the prevailing water usage rate. In subdivisions where sewer service is provided, the prevailing sewerage rate is billed based on the water meter reading. Bills are mailed within approximately one week and are due upon receipt.

Irrigation Meters — In subdivisions where sewer service is provided, an irrigation meter (also called an exclusion or companion meter) may be installed to exclude sewer fees on outdoor water use. Costs vary by location, contact DPU for more information. If an irrigation meter is not in use, sewer fees are applied to all water used.

Utility Payments — Utility service payments should be made to the Treasurer’s Office, located in the Administration Building, 12007 Courthouse Circle, New Kent, Virginia, 23124. For customers paying by check or money order, there is an after-hours payment drop box located in the parking lot. Payments may also be made by credit card through the Treasurer’s Office website. All credit card transactions will incur a convenience fee. Please do not mail cash or leave cash in the drop box. The County cannot accept utility payments by phone.

Late fees — A late fee of 10% or $5 (whichever is greater), will be assessed on all utility accounts not received by the Treasurer’s Office on or before the last day of the months of January, March, May, July, September, and November. New Kent County does not accept electronic bank transfers, therefore, online payments through your bank may take 5 to 7 days (or longer) to be received by the Treasurer’s Office. Payments are posted by the Treasurer’s Office upon receipt. Neither DPU nor the Treasurer’s Office holds payments for any reason. DPU cannot waive late fees for bills or utility payments which are delayed or lost in delivery.

Turn Off for Non-Payment & Reconnection — Utility accounts 15 days past due are subject to turn-off. On the turn-off date, a reconnection fee of $50.00 is automatically assessed to all unpaid accounts. All outstanding charges must be paid before service can be reinstated. An additional $50.00 is charged for reconnection after regular business hours.

Returned Checks — A returned check fee of $50.00 will be charged for all returned checks. Additionally, all appropriate late fees & reconnection fees resulting from the unpaid utility account will be assessed.

Payment Extension — Customers wishing to make payment extension arrangements should do so by contacting DPU before the utility billing due date or service termination date.

Address Change — Customers wishing to change their billing address must contact DPU and make a address change request in writing.

Termination of Service — It is the sole responsibility of the customer to notify DPU of their desire to terminate utility service. Customers wishing to voluntarily terminate service must submit a completed Termination of Service form to DPU. All open accounts are subject to the minimum utility service charge, regardless of the usage.

Utility Notifications — Public Utility customers may receive automatic text or email notifications of important utility billing dates (meter reading, due date, turn-off date), as well as other important utility notifications by signing up for Public Utility Notifications through the County’s “Notify Me” service on the website.

Billing Questions — Please review your bill immediately upon receipt, and contact DPU if you have any questions.

Winterrific Draw-tooning
Ages: Grades 1 - 5
Instructor: Young Rembrandts
Make this a memorable winter by signing up your elementary child in a Young Rembrandts draw-tooning class. Your child will learn about basic design and composition in a traditional drawing lesson. Besides strengthening your child’s drawing and coloring skills, he or she will also learn about art history as we present a lesson featuring a master artist. In our cartoon drawing lessons your child will learn about exaggeration and drawing facial expressions. Personifying cuddly polar bear characters will teach our students to create fully realized cartoon characters. Encourage your child’s creativity and stoke their artistic fire. * Make-up 3/19 & 3/20 if needed

A Very Special Thank you to, Mrs. Sandra Blake!

Sandra has volunteered with New Kent Parks & Recreation since 2008. She has coordinated many senior adult events and is best known for her socials and the Lunch Bunch.

She has touched many lives, kindled friendships, created fun environments for recreation and so much more! She is a dear friend to our Department!

She is “retiring” from her lead volunteer roles to support her grandchildren and spend more time with her family. However, be sure that you will still see her around!

With much appreciation! We love you!

Falling into a new school year with NKCPS

I love the fall! Between the beautiful weather and outdoor festivities, there is never a shortage of something fun to do. But what I really love about the fall is the excitement that comes with a new school year. It is like watching a symphony come together for opening night. There is something incredibly special about watching students return to school where they meet their teachers, collaborate with friends and engage in deep learning. It is also exciting to watch the theater begin rehearsals, while the band anxiously awaits their first halftime show. And the excitement does not stop there, as athletic teams begin to meld like well-oiled machines, while clubs and extracurricular groups begin important work together.

New Kent County Public Schools has a lot of great things happening this year. For one, we are in the middle of crafting a new, 5-year strategic plan. This collaborative process will guide our work for the next five years, ensuring we continue to grow and excel in every area of education. Additionally, we are working on our second year of a comprehensive, K-12 College/Career/Life Readiness (CCLR) plan. This plan includes everything from career exploration, to developing professional communication skills and time management to name a few. This plan will continue to become part of New Kent’s curriculum, being equally as important as the core subjects we teach. In addition to CCLR, we have spent a great deal of time assessing, planning, testing, and training for crisis response and safer schools. For example, we conducted a tabletop, crisis exercise with the Virginia Department of Emergency Management this summer and with the assistance of the Sheriff now have a school resource officer in every school. We also have a new school security officer at the high school and we hired a highly trained social worker that will serve all students and families that are in crisis, needing access to mental health and other community services.

We are off and running with the 2018-19 school year! I encourage our community to come check out a show or a game. It is great entertainment and a wonderful way to see our symphony at work!

Give a Child a Christmas: Spreading holiday cheer to children in need

Every December, the Healthy Families and Project Hope programs at Quin Rivers Community Action Agency work together to organize the “Give A Child A Christmas” project. This project is designed to give families extra support during the holiday season by supplying families with holiday gifts. Families and children who take part in the program have experienced family violence, abuse, neglect, or are determined to be “at-risk”. By providing families with holiday gifts, families are partially, if not fully, relieved of the burden of deciding how to allocate money during an often financially stressful season. The “Give A Child A Christmas” Project is made possible by the generosity of community partners, local businesses, and faith communities. Last year the program collected gifts for approximately 115 children residing in Charles City, New Kent, King William, and King & Queen communities.

Louise Ailstock, a returning volunteer and donor, cannot wait to receive her adopted child’s list and start shopping! “Each year it makes my Christmas, and I get back so much more than I give to the families,” she said. “When you have people reach out and help you and your family when you need it, it isn’t something you forget and it makes you want to give back when you can. I know in many cases it gives you support and stability to know someone out there cares and you do not have to worry about not being able to do it on your own. It’s also a good way to get your kids or whole family involved and start teaching them from a young age to help others.”

In addition to the holiday gifts, children who participated in Project Hope’s R.E.A.L. Kids Camp, a two-week long camp for youth and children who have experienced domestic violence, attend the Lewis Ginter Festival of Lights. The trip, generously donated by Lewis Ginter Botanical Gardens, reunites participants with friends they met at camp and allows them to experience the joy of Christmas.

Get Involved!
Quin Rivers is seeking individuals and groups interested in adopting children for the upcoming holiday season. The agency will also need volunteers to assist with wrapping and distribution. If you are interested or want to learn more about the program, please contact Quin Rivers’ Outreach & Volunteer Coordinator at 804-966-8733.
REAL ID: deciding what is the right choice for you

Virginians now have the option to upgrade to a REAL ID compliant driver’s license or identification card, or stick with DMV’s standard credential—the driver’s license/ID card. Which is the right choice for you? Take a look and decide.

REAL ID

A REAL Choice for Virginians

Deciding whether to renew your standard driver’s license or identification card or apply for a REAL ID compliant driver’s license or ID card? The following information can help you make the right choice for you.

What is REAL ID?

The REAL ID Act is a federal law that affects how states issue driver’s licenses and ID cards if they are going to be accepted for federal purposes, such as boarding domestic flights or entering secure military installations or federal facilities that require ID.

REAL ID is optional for Virginians.

You can get either a REAL ID license or ID or a standard driver’s license or ID. If you do not get a REAL ID, you must have an alternate form of federally accepted identification (valid U.S. passport, military ID, Transportation Worker Identification Credential (TWIC), etc.) to board domestic flights and enter federal facilities after October 1, 2020.

Her’s what you need to get a REAL ID:

The process is similar to Virginia’s current original driver’s license/ID card process. All applicants for a REAL ID compliant credential, including current Virginia credential holders, must apply in-person and provide DMV with physical documentation of the applicant’s:

- Identity (e.g. unexpired U.S. passport or U.S. birth certificate)
- Legal presence (e.g. unexpired U.S. passport or U.S. birth certificate)
- Social Security Number (e.g. Social Security card or payroll check stub)
- Residency (two proofs will be required) (e.g. utility bills or mortgage statements)
- Proof of any name changes (e.g. marriage certificates or divorce decrees)

Note: If the name on your identity document is different than your legal name, you must show proof of your name change.

For a complete list of accepted documents, visit dmvNOW.com/REALID.

About your REAL ID credential:

REAL ID credentials are available for a one-time $10 fee, in addition to standard driver’s license or identification card fees.

In the upper right hand corner, REAL ID compliant credentials will be marked with a star, while non-REAL ID compliant credentials will instead display “Federal Limits Apply,” in order to comply with federal law.

For more information, please visit dmvNOW.com/REALID or call (804) 497-7100.
