## **New Kent County offers brush recycling at main refuse site**

**NEW KENT VIRGINIA, MAY 5, 2011:** Just in time for outside spring clean-up efforts, New Kent County will begin accepting brush at the Route 618 (Olivet Church Road) Refuse Collection site effective Friday, May 6. The collection site is open seven days a week from 7 a.m. to 7 p.m. (during the winter months, the brush recycling component at the site will close at dusk).

New Kent residents with a permanent County decal can utilize this site at no charge for brush specifically covered in the County Code. The following brush items will not be accepted: tree stumps, limbs in excess of 6" caliper and mixed trash. Residents must unload all brush at the facility themselves. Please note that bagged leaves are accepted at all sites.

The Lanexa-based contractor who formerly provided brush recycling free of charge to New Kent residents is no longer doing so on behalf of the County.

For more details on brush debris disposal or refuse disposal please contact the New Kent County General Services Department at 966-8514.
