

TO GET DIVORCED

The filing fee for a divorce is \$84. Service fees are an additional \$12 per document.

The clerk's office does not have forms to file for a divorce nor can we give legal advice.

Please seek legal advice. For a complete list of attorneys for the Commonwealth of Virginia, please contact the Virginia State Bar. You may want to use the Lawyer Referral Service (804) 775-0808 or (800) 552-7977.

You may represent yourself in a divorce but you will need to research the procedure. The clerk's office cannot advise you. There are public law libraries and Legal Aid (804) 648-1012 to assist you. If you choose to purchase forms off the Internet please see that they are forms for Virginia. Divorce law varies from state to state. The clerk's office cannot assist you with completion of any forms except to notarize your signature.

In matters of divorce the clerk's office acts as the court of record and maintains files.
