

Are You Interested in Selling To The Commonwealth?

The New Kent Department of Economic Development and Virginia Department of Business Assistance would like to assist you in doing business with the Commonwealth of Virginia by offering to you this

PROCUREMENT SEMINAR

Virginia Businesses: Are you interested in possible ways to grow your sales? If you are interested in learning what it takes to do business with Virginia's state agencies, this seminar may be for you!

Come learn of the Commonwealth's latest mandates for spending, and helpful tips that may help increase your chances of selling to the Commonwealth. Learn how you can gain access to the Commonwealth's purchasing data base, register your company and also apply for certification that may enhance your chances of doing business with Virginia government. Also hear about details on purchases \$50,000 or less going to state certified "small" vendors and other important information that may increase your chances of selling to the Commonwealth.

Does this sound like something you need to enhance your business?

If so, join us for a PROCUREMENT SEMINAR.
