Frequently Asked Questions (FAQ)

We loved our coach from last season. Can you put us back on his team?

Unfortunately, we're unable to grant requests for specific teams or coaches. Please see next question for information on how we create teams.

We would like to car pool with our neighbor. Can you place us on the same team?

Teams are formed based on the coach's availability to hold practice and the availability of field space. Once coaches have been assigned, practice night and location requests by participants are then coordinated. **Carpool and team/coach requests will not be honored.**

Our plans have changed since we turned in our registration and we can no longer have practice on the night our team is scheduled to practice. Can you move us to another team?

Changes will be accepted until September 3rd. After this date we can not accept changes. Once your child is placed on a team we can not move them to another team as this will affect the balance of the teams.

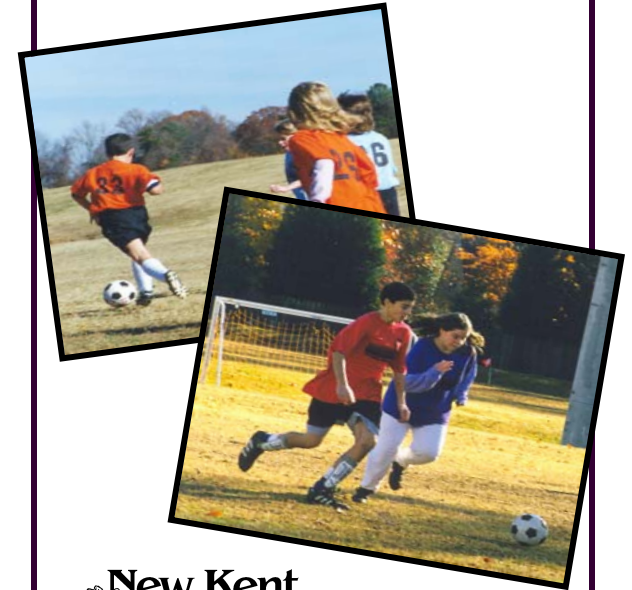

I would like to coach this season. What do I need to do?

Please submit your name on your child's registration form. The youth program coordinator will contact you and confirm your interest in coaching this season. If you are selected to coach, you will be asked to submit to a background check before the first practice. You'll also be required to attend our coach's meeting.
